

## Scores of Speakers on Campus For State's Biggest Forensic Tournament

### MUSIC FESTIVAL TUESDAY EVENING

A triple-feature concert including the A Capella Choir, the String Quartet and an outside group, the California Choristers, will be presented next Tuesday, January 9, at 8 p. m. in the Frederic Burk Auditorium.

Organized last year by Mr. Roy E. Freeburg of the Music Department the California Choristers are a group of professional people whose interest in singing has brought them together for the purpose of entertaining service men. They have been invited to join with the Choir in several sacred numbers.

The Choir will open the program with "Victor Herbert Favorites," and "Latin American Sketches." Following this they will be teamed with the Choristers in three holy airs. Ida Marie Gibson, soprano, and Charles Brewer, baritone, will then perform solos.

The String Quartet, under the direction of Mr. William F. Zech, will conclude the program. They will be accompanied on the piano by Jean Stanbridge.

The public is cordially invited to attend.

### Tony Calónico With Army Intelligence

Private Tony Calónico, U. S. Army, was on the campus this week. Tony, who is now in Texas working with the Intelligence Security, G-2, had a lot to tell his former fellow students about the erstwhile Fascists. Tony works with Italian prisoners of war, his specific task being that of interpreter and investigator.

Tony is now planning to go to school at Lexington University in Virginia. There he will study the various aspects of the rehabilitation program which will help G. I.'s find their place in civilian life.

### CAMPUS CALENDAR

**TUESDAY, Jan. 9**  
Music Fed Program, Frederic Burk, 7 to 11.

**WEDNESDAY, Jan. 10**  
Music Fed Meeting, AB 2, 12 to 1  
Basketball—Sea Wolves vs. State, Women's Gym, 6:30 to 9:30  
Pan American League Meeting, speaker and movies, AA 12, 12 to 1

**THURSDAY, Jan. 11**  
Executive Board Meeting, Activities Room, 12 to 1

**FRIDAY, Jan. 12**  
Music Fed Piano Concert, Baptist Church, 7 to 11  
Basketball—Chico vs. State, Kezar, 6:30 to 9:30

**SATURDAY, Jan. 13**  
Bib 'n Tucker Sport Dance, Women's Gym, 9 to 12  
Basketball—Chico vs. State, Kezar, 6:30 to 9:30

### TRAINING SCHOOL TO OPEN MONDAY

Augmenting the opening of the Child Care Center on the lower field next Monday, Mr. Harrison E. Devereaux will officially present the center to President Alexander C. Roberts in a ceremony to be held at 10 a. m. Devereaux, regional director of the construction and engineering for the Federal Works Agency, will be accompanied by Mrs. Mary Isham, also of the FWA, who will speak on the use to be made of the building. She is regional director of maintenance and operation for the agency.

The building, which has been under construction for several weeks, will accommodate from 60 to 70 children. It has two large activity rooms, a large kitchen, an isolation room and several offices. Visitors will be welcomed next week.

The school, financed by federal money, will remain as federal property until there is no longer need for the center. The state will conduct the center for the purpose of training supervisors who will eventually be placed in various communities as supervisors of such centers.

Only a few minor details remain to be finished before the occupation of the school on Monday, said Mrs. Lynette Messer, director of the Training Program for Child Care personnel. "Grading of the yard, connecting stoves and putting guards on the windows remain unfinished," she said.

### GATER JUDGED A FIRST CLASS PAPER

Again as in former years, the Golden Gater has won first class rating in the Associate Collegiate Press of N.S.P.A.

Under the editorship of William Marrinan, the GATER has won the coveted award in this 1943-1944 All American Newspaper Critical Service.

This award is significant when the fact that in this class standards are high and competition is keen.

### SGT. GUTMANN BELIEVES WORLD'S HOPE IS CENTERED UPON AMERICA

With the hopes of the world depending largely upon the conduct in global affairs of the United States, the role of teacher-training colleges should be a proud one, Sgt. John Gutmann, art professor on leave, believes.

Now stationed in China, Sgt. Gutmann is an official photographer for the Army and the Office of War Information. In a letter received this week by Miss Evelyn Mayer, professor of art, Sgt. Gutmann seconded the late Wendell Willkie's observation that throughout the world were huge "reservoirs of good will toward America," and that Americans should do their utmost to preserve this good will in helping shape the world to come.

"You can hardly realize how

### AT LEAST 40 TEAMS ENTER SEMI-ANNUAL DEBATE COMPETITION

High school speakers and debaters from as far away as Los Angeles were on hand for the opening today of the two-day Invitational Forensic Tournament sponsored by State College. It looked as if this 18th semi-annual competition would be the biggest yet.

Radio announcing got underway at 12 noon, to be followed at 4 o'clock this afternoon by competition in extemporaneous speaking and men's and women's oratory.

### Voting Age Is Topic

The debate topic was: "Resolved, that the legal voting age should be 18." This question stands high among young people as a strong talking point, with the pro's arguing among other things that if youths under 21 are old enough to fight they are old enough to vote, and the con's contending that the mind is not mature enough for such a charge until the age of 21.

Fiery competition is expected. State students are invited to attend.

### Debate Tomorrow

Tomorrow morning at 8:30 an assembly in Frederic Burk auditorium will open the program, and the debate will begin at 9 a. m.

"This will be the biggest tournament we've ever held," said Caroline Nahman, tournament director. "There will be at least 40 teams entered by the time it gets under way."

Among teams already entered were those from Los Angeles High, Modesto High, Berkeley High, St. Mary's High, and all the San Francisco high schools.

### Trophies Awarded

Trophy cups will go to the first and second place winners in each division. A sweepstakes trophy will also be awarded.

Each senior debate team was charged an entry fee of \$2, each junior debate team paid \$1.25 and each individual competitor in oratory or radio announcing, 75 cents.

**CITATION:** Vice Admiral Frank Jack Fletcher is shown awarding a Gold Star to former stater Ensign Kenneth Lee for aerial achievements in the North Pacific Theater of War.

## Ex-Stater Gets Gold Star for Aleutian-Based Raids on Japs

Ensign Kenneth B. Lee, ex-State griddler who broke into print earlier this term when he married Inger Spiess, once again makes the headlines as the news is released that he has been awarded a Gold Star in lieu of a second Air Medal. The award was conferred upon the 23 year old navigator by Vice Admiral Frank Jack Fletcher, commander, North Pacific Force, for "meritorious achievement while in aerial flight" in connection with raids of Ventura bombers of the "Empire Express" against the northern Kurils.

The presentation was made at a ceremony at an advanced Aleutian base. Ensign Lee is a navigator in a Fleet Air Wing Four task unit which has been making consistent raids against Paramushiro and Shimushu during the past ten months.

The award was made to Ensign Lee for his part in a daylight photo-reconnaissance flight made over a newly discovered enemy airfield on Shimushu Island in order to obtain highly desired photographs.

### Second Sortie

On the second such sortie, in clear weather, in the face of probable enemy fighter interception and anti-aircraft fire, the photo run was made not only across Shimushu but down the length of Paramushiro. The numerous photographs obtained showed many hitherto undiscovered and important installations.

The citation for the award concludes with the statement that "his conduct throughout was in keeping with the highest traditions of the naval service."

### No Cover

Ensign Lee was awarded his first Air Medal for his part in a daylight strike against a well-defended Shimushu airfield with no cloud cover for concealment within one hundred miles.

Ensign Lee is the son of Mr. and Mrs. Otto Bernhardt Lee of 118 Concord St., San Francisco. Before entering the service he was with the Pacific Tel. & Tel. Co., and with Bush & Larkin. He has flown more than a dozen missions over the Kurils.

### MRS. WITT-DIAMANT NOW INSTRUCTING AT LABOR SCHOOL

Teaching creative writing at the California Labor School, Mrs. Ruth Witt-Diamant, associate professor of English, instructs night classes on Tuesdays in the study and practice of descriptive and narrative writing and playwriting. President Alexander C. Roberts is a member of the Educational Advisory Council for the school, located at 216 Market.

The California Labor School, created to foster a unity of purpose and understanding among all sections of the city, holds day and night classes. Credit is offered to teachers in the San Francisco public schools. Departments of study include the social sciences, writing, and the arts.

### SEVENTEEN ESSAYS PASS PRELIMINARY SCREENING

Seventeen of the 152 essays submitted in the recent city improvement contest sponsored by Mr. John G. Brucato, San Francisco civic leader, have passed a preliminary screening and will compete with entries from other San Francisco colleges for the four \$100 war bond awards, it was announced by Miss Edna M. Bock, Associate Professor of English. Fourteen of the essays were from English 2 classes and three from students at large.

In addition, all essays submitted at San Francisco State College are being judged independently by a committee of faculty members not connected with the teaching of English 2, for our own contest in English composition. Winners and awards will be announced in the next issue of the "Gater."

## ON THE SPORT SIDE

By DON PAGANI

Unheralded and unannounced, Chad Reade, now war hero Captain Chadwick Reade of the Army Air Force, now home for a short leave, and holder of the Distinguished Flying Cross, three Air Medals, three Presidential Citations and four major battle stars, modestly enlivened these now hallowed halls with his esteemed presence. Few of us remember, but have heard of the many legends of Chad Reade, triple-threat griddier of not so long ago.

The toast and pride of the Bay Area, Chad made football history with his all-around ability on the gridiron. A story is told that before coming to State, Chad cavorted for the Stanford frosh where, incidentally, he beat All-American Frankie Albert for the first string post.

Mere words cannot convey a true picture of so fine an athlete and soldier. Suffice to say, Chad, State humbly welcomes you home.

☆☆☆

A bit of news comes to me through the well-known telephone concerning two Staters who have gone out into this cruel world to

make a name for themselves. The first genial graduate is that ever-popular student and ex-sports editor, Nardy Mallarino. Nardy is now doing an excellent job coaching the James Lick Junior High basketball squad. His team won the 110-lb. and unlimited divisional championship, which shows natural ability when you consider that Nardy happened to major in Social Science and Bacteriology.

Also news is that Dick Murray, who is coaching Roosevelt Junior High and also taking a P. G. course here besides holding down a Varsity position on the basketball team, ran up against Mallarino's men in the finals of the City Championship and won by a very close score over the James Lick team.

Congrats, gents; your alma mater will be following your course in life with great interest.

☆☆☆

Last minute scoop, just flashed to me by our own sports editor, relates that Norm Keller, another State casaba ace now playing guard for the McClellan Army team, score 17 points against Fleet City Saturday nite. Yeah, man.

## Intramural Basketball Entries To Be Taken Until January 9th

It was the week before Christmas vacation. The Gater published the long awaited news concerning intramural basketball. The deadline was set for the teams to enter the league. A schedule was being carefully drawn up. But what happened? The names of no more than three teams were submitted.

Sports editor Terrye Flax, commenting on the situation, remarked: "Say what's the matter with you guys anyway? First you moan about there not being enough intramural sports and then as soon as such activities are planned, you turn away with a disinterested air."

After tossing the situation around in his mind, Coach Dan Farmer, anxious to give the program every opportunity possible, has decided that perhaps it was just the excitement of the coming holidays that caused the lagging interest and has set Tuesday, January 9th, as a new and final date for those men who want to play to enter their names in the competition.

Any organized class, club or organization may participate. As usual, however, members of P.E. classes must play for their class team first and can play on another team only if their class team is complete.

Only men who have not received a varsity block may compete. Lettermen in the sport will referee.

Games will start in the gym at 12:15 and will consist of ten minutes halves. There will be no time outs. The team making the first point in an over time period will be considered the winner.

In spite of the probable mix-up of the players when they register for different gym classes next semester, the teams will remain the same.

## GATORS TO MEET SEAWOLVES; STATE BEATS PORT CHICAGO

### Baby Gators Beat Port Chicago J.V.'s; Pagani High Man

State's high-flying, high-scoring baby Gators rang up 49 points against the Port Chicago Jayvee's 25 digits on the eve, before Christmas vacation to give themselves four wins to three losses and make their holiday a very merry one indeed.

Completely bewildering their opponents in the first half, the State boys kept the ball on their side of the court for 27 points and allowed the service lads a wee six. The Port Chicago five were unable to cut down the margin despite their valiant attempt and the Gators emerged the victors.

The Gator staff's Don Pagani came through with fifteen of the Stater's points to earn the title of high scorer for the game. Jack Pilieri and Al Allen hit the bucket for nine points apiece.

### STATE BOYS PLAY FOR OLYMPIC CLUB

Marc Gelles, State's de luxe soccer veteran, and fellow Gator teammates, blonde Chic Hanson, and one-half of the Murray brothers, namely, Ed, are again playing the shin-kicking sport on the same squad.

The boys can be seen on any fair-weathered Sunday at the USF field playing for the nationally-known and highly-rated Olympic club against such competition as the Barbarians and the Italian Prisoners of War, who are considered the greatest soccer team in the United States today.

### STATAR SEES ACTION IN SOUTH PACIFIC

Marine Corporal Theodore A. Lude, 20, former Stater, has returned to the States following thirty months of active service in the Pacific area. At present he is awaiting furlough orders at the Marine Base in San Diego.

Corporal Lude, who is a veteran of Guadalcanal, recently participated in the action on Peleliu.

It's a new year. But it's the same Gater quintet that brought home three victories to four losses against service teams that will take to the floor Wednesday evening when they meet the Merchant Marine Seawolves for the second time this season. Perhaps not exactly the same,

for after three quiet weeks the boys are set to go with renewed vigor.

The game against the Maritime lads will be the final one before the start of college competition, which begins Friday when the S. F. Staters take on the Chico State five at Kezar.

### State Wins

An exciting tilt between the Navy men of Port Chicago and State, which preceded Xmas vacation, resulted in the Farmer-coached squad coming through on the top side of a 63 to 46 score.

Leading throughout the game and putting in one of their best performances this term, the Staters ended the first half with the wide margin of 20 to 12.

### Mohr Hits 24

Grove Mohr, classy Gator forward, had the crowd holding their breaths as he shot from every spot on the court to swish the ball through the loop for 24 points and became the first man to approach the scoring record set by Norm Keller when he hit 28 points in '42, for many a day.

### Casaba High Scorers Are Murray Brothers

With seven games under their belts and the start of college competition staring them in the face, State's basketball men are out to add new records to those of the high-scoring Gator quintets of past years.

Leading the varsity field with 111 points to his credit is letterman Dick Murray, while brother Ed Murray sets the pace for the junior varsity with 55 points.

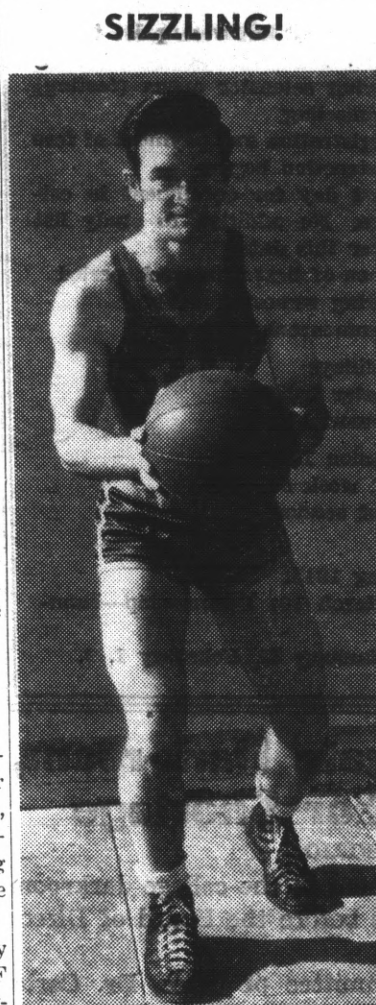

Grove Mohr hit the bucket for 24 digits against Port Chicago making him highest scorer for any individual game.

Varsity	Games	FT	FG	Pts.
Dick Murray	7	31	40	111
Grove Mohr	7	16	28	72
Russ Patrick	7	8	27	62
Hal Fox	5	7	15	37
Chick Hanson	7	12	6	24
Jim Diggins	7	7	5	17

Junior Varsity	Games	FT	FG	Pts.
Ed Murray	7	5	25	55
Don Pagani	6	7	23	53
Al Allen	6	7	15	37
Sterling Curry	7	5	14	33
Jack Pilieri	6	7	13	32
Hal Fox	4	7	9	25
Tim Haggerty	6	3	6	15

### Living Memorial

A scholarship has been planned as a living memorial for Allen Shafer, Jr., University of Wisconsin quarterback who died of injuries suffered in the recent Wisconsin-Iowa football game.

Grove Mohr, flashy forward, who hit 24 points against Port Chicago.

### Rog Fanfelle At Home On Leave

Another ex-Stater now in the service, Pfc. Rog Fanfelle, arrived at the hilltop yesterday straight from Army Air Corps gunnery school in Arizona, with a ten day leave before shoving off for Tampa, Florida, and parts unknown.

Fun-loving second baseman on the Gator nine last season, Rog was called on July 13 and sent to Texas for basic training.

Along with his buddies Dick Jaensch and John Gonzales, he was dubbed as a "Three Musketeer" when at State. Now Jaensch is in Texas and is a B-24 gunner, while Gonzales is also in the Lone-Star state, but in the infantry.

Not much changed by Army life, just a bit more reserved and a trifle quieter, Rog, when asked whether or not there was a nearby town where he was stationed, quipped: "Nope. Just three bars and a little cafe. But don't ask me what the inside of the cafe was like."

## W. A. A.

By JUNE MEEHAN

Warming up in this cold weather as a recreational pastime, several nimble-footed W. A. A. members have gotten together this week and played inspiring games of basketball.

Amid lighted candles, W. A. A. members enjoyed a hockey spread Friday, December 15th. The invited guests of the affair were members of Kappa Delta Tau, a creative dancing group who had their class from 4-6. Christmas carols were sung during the spread which lasted from 4-5:30.

In a fiery battle between a white and purple team, played before the refreshments were served, neither became the victorious, the score coming out a tie of 3-3. Mrs. Stephenson umpired.

As a whole, the hockey spread was very successful, and compliments are in order for Doris Hickbottom, chairman in charge of the event, who took care of all the important and necessary details.

## REGISTRAR'S OFFICE ANNOUNCES CALENDAR FOR SPRING SEMESTER

The registrar's office announces that there will be no catalogue printed this spring semester. Instead a supplementary sheet has been added for the year 1944 and 1945.

The calendar for the spring semester 1945:

**January 15—Monday** Applicants for admission should file official transcripts with the Registrar and if possible call for a personal interview prior to this date.

**January 31—Wednesday** Spring semester opens (testing)

**February 1—Thursday** Counseling

**February 2—Friday** Registration and payment of fees

**February 5—Monday** Instruction begins

**February 16—Friday** Last day for enrollment in college. No addition to study list after this date.

**March 30—Friday** Close of first nine-week period

**June 1—Friday** Spring semester closes

**June 15—Friday** Commencement

**March 29, 30** Holidays

**May 30** Easter holidays

**May 30** Memorial Day

**June 25-August 3** Summer Session 1945

**August 6-August 25** Six week session

**August 6-August 25** Post session

The testing program

Dates of examinations Spring 1945:

Arithmetic—January 31, March 10; Penmanship—January 31, March 10.

Music—March 10; Piano—January 31, February 1, 2.

## Directors Investigate Dark-room, Drastic Co-op Labor Shortage

By ED OSORIO

Use of photographic equipment in the college darkroom was the main issue brought up before the Board of Directors at a meeting yesterday.

At the present time a committee of three, Dr. Carlo Lastrucci, Dick Cushing and Fred Hanson, assumes all

## STATE GIVES \$500 TO RELIEF FUND

Students who have signed pledges for the World Student Service Fund, or who wish to contribute at this time, are requested to send their money to the Student Body office, Caroline Nahman, head of the group representing this organization at San Francisco State College, announced today.

"Contributions have already exceeded the \$500 mark", added Miss Nahman. "Approximately \$250 has been contributed by students and this amount has been equally matched by faculty members."

## Student Registrars Ask For Assistance

Members of the new registration committee will be honored at a tea, given by Student Advisory Council, according to Dean Mary A. Ward.

Formulation of plans for the tea will be made at a Council meeting Friday noon, Jan. 12 in the Activities room.

Any student desiring to help with registration for the new semester should contact Miss Florence Vance, registrar, or Dean Ward, it was further announced.

## GOLDEN GATER

Published each Friday during the college year by the Associated Students of San Francisco State College. Member of the Associated Collegiate Press, Representative for national advertising by National Advertising Service, Inc. 420 Madison Ave., New York City, N. Y.

## NEW GATER STAFF TO BE ELECTED

Announcements of editorships of the GATER for the spring semester will be made at the semi annual Gater-Alpha Phi Gamma dinner to be held Wednesday, Jan. 17, it was announced at the Board of Publications meeting.

To be selected on merits of journalistic ability and experience, GATER reporters and staff members have been asked to petition for those positions desirable, stating three preferences. The petition to be addressed to the Board of Publications, must state the qualifications of the applicant. Petitions are due next Tuesday and are to be left in post box 420. They will be judged by members of the Board next Wednesday, and new editors named the evening of the dinner.

The dinner to be held at Venito's restaurant, will be attended by past GATER editors as well as present staff members.

## New Civic Group Discussed Before Sociology Students

Speaking before Dr. Alfred Fisk's social relations class, Dr. Aubrey Haan, assistant executive secretary of the Council for Civic Unity, explained this newly created council and outlined its work. The council, which deals with problems of housing, employment, recreation, health and education deals primarily with minority groups, although the organization was not formed for this purpose.

Organized to bring about unity in San Francisco, the Council has attempted to work with city newspapers, the radio, churches and schools in stimulating and coordinating unity among the peoples of San Francisco.

Dr. Haan cited the large increase of out-of-staters into war industries, many of whom belong to minority groups. The problems of housing these persons were discussed by Haan and special reference was given the "Urban Redevelopment Bill" now before the state legislature. If passed this bill would make possible the condemning of certain sections of the city, now housing minority groups, and rebuilding these places to be sold only to Caucasian groups. Haan emphasized the need for a state Fair Employment Practices Committee in conjunction with the Federal organization.

## FACULTY SENDS CHRISTMAS BOOKS TO HERZ CHILDREN

In tribute to the memory of the late Major Ludwig Herz, a collection was taken at the Administration and Maintenance Staff Christmas party, during vacation, to send books to the popular professor's children.

Major Herz, former State biology professor, was killed in action when his B-24 crashed somewhere in the South Pacific recently.

The Christmas party, held in the Activities Room, was arranged by Miss Alma Downey, placement secretary. Over 30 members of the combined staffs were present. Tables were decorated in the Christmas motif with red and green flowers and crepe paper.

"It is only proper that we should do something to brighten the Christmas of our late colleague's children," stated Miss Downey.

## Literature, Art Fellowships Offered By Phelan Estate

An announcement was made today by the Trustees of the Estate of the late Senator James D. Phelan of two fellowships being offered for the year 1945-46, each carrying a stipend of \$900. They are made available annually under the terms of a bequest to bring about a further

development of native talent in California in the fields of literature and art.

This year, for the first time, all painting in the field of portraiture will be covered, as well as one field of literature. The latter is limited to writers of the short story. Writers in all other fields of literature will not be eligible to compete this year, but the next competition will be open to the writers of drama.

## APPLICATIONS

Applicants for the fellowship, both men and women, must be native born citizens of California, and must be between the ages of 20 and 30. Applications must be made on forms especially provided for that purpose, and may be obtained from the office of the James D. Phelan Award in Literature and Art, 832 Phelan Building, San Francisco. The competition closes the 15th of February, 1945.

Those competing must furnish the names of three persons who have knowledge of the field in which they are working, and who are acquainted with the applicant and his work. In addition, an applicant in literature must submit not less than three and not more than five short stories. In painting, applicants are required to present two specimens of their handiwork.

Two committees of experts in each field will be appointed by the Trustees to recommend to them the successful candidates. Awards will be made about the 1st of April, 1945, and the fellowship will be tenable from July 1, 1945 to June 30, 1946.

## DR. HARVEY BACK FROM BOSTON STUDY

Dr. Paul Harvey, instructor in biology, on leave since last February, was a campus visitor this week, following a year of work as a micro-bacteriologist for a large hospital in Boston, Mass.

Dr. Harvey expects to leave soon for Washington, D. C., where he will continue his bacteriological investigations of venereal diseases. In Washington he expects to meet two other State professors on leave, Dr. Roy Cave, professor of economics, and Dr. Leonard Ascher, associate professor of economics, both employed as economists for the Office of Price Administration.

## LIVING QUARTERS NEEDED

Students who know of desirable housing accommodations for incoming freshmen are requested to notify Dean Mary A. Ward.
